# History & Australian Representatives – World Amateur Teams Championship – Espirito Santo Trophy

## History

The World Amateur Team Championship is conducted by the International Golf Federation which comprises the national governing bodies of golf in more than 110 countries.

It is a biennial competition rotated among three geographic zones of the world: Asia-Pacific, American and European-African.

Each team, which has two or three players, plays 18-holes of stroke play for four days. In each round, the total of the two lowest scores from each team constitutes the team score for the round. The four-day (72-hole) total is the team's score for the championship. The winning team receives custody of the Espirito Santo Trophy for the ensuing two years.
